

HOW DO WE BOOK YOU?

Call or email me to arrange a no obligation meet-up where we can discuss all your wonderful details. If you can't make it to a meeting then we can always use Skype.

WHEN CAN WE BOOK YOU? Book early to avoid disappointment!

HOW FAR WILL YOU TRAVEL? All over the UK & International

DO YOU CHARGE FOR TRAVEL? A 40 mile radius around Chorley is free, after that it's 40p a mile. If I have to stay overnight, then I will have expenses too, please ask for more details.

WHAT KIND OF PHOTOGRAPHER ARE YOU? I adore candid, documentary, black & white, quirky-formal and fine art photography.

DO YOU PHOTOGRAPH CIVIL PARTNERSHIPS? An absolutely resounding Yes right here...as Bob Marley said, "One Love"

WHAT IS THE DEPOSIT? 10% of the total package that you have chosen.

DO YOU HAVE A CONTRACT? Yes, contracts will be signed at the booking meeting.

ARE YOU INSURED? Absolutely yes!! We have Professional Indemnity Insurance & Public Liability Insurance with Markel Insurance!

WHEN IS THE FINAL BALANCE DUE? 2 weeks before your wedding.

WHAT IF I CANCEL? Balance to be paid in full if cancelled 12 weeks before your wedding.

DO YOU VISIT OUR WEDDING VENUE BEFOREHAND? Oh gosh, yes...I'll be picking through it with a fine tooth comb, haha. I like to know the lighting, best places to shoot from and speak with the necessary people in charge.

HOW LONG BEFORE WE GET TO SEE OUR PHOTOS? Within 8 weeks, but I usually like to get a few photos & words online as a teaser...

DO WE GET A SECOND PHOTOGRAPHER? For package II & III - We like to cover all the angles...and he is a fab photographer too!

WHAT IF IT RAINS? I come prepared with umbrellas for the both of you if you're brave enough to venture outside or we can be very creative indoors - photographically.

DO YOU PHOTOGRAPH GROUPS OF PEOPLE? I do, but

would prefer to keep these to a minimum because they have a tendency to look rather stiff and formal. I believe a wedding should be natural, fun and spontaneous.

WHAT HAPPENS IF YOU ARE ILL? We always, always have back-up photographers.

DO YOU SELL ALBUMS? Yes, I mainly use Folio for their beautiful workmanship...these are separate and I design myself, please ask for more details. I also do custom albums which are competitively priced.

WHAT ABOUT WEDDING SLIDESHOWS? I'm renowned for my beautiful wedding slideshows, they are included in Package II and III...lucky you :-)

DO WE HAVE TO FEED YOU? I really want to say yes haha, but worry not, we will have our trusty flask and butties combo tucked away in the boot of our car.

If you have any more questions which I've not thought of then please contact me. Kind regards, Nancy x
